INVENTORIES

are a NECESSITY in the adjusting of LOSSES by FIRE or BURGLARY and in the SETTLING OF ESTATES. They should be made by people expert in the art, and bound in duplicate, one to be kept in the house for ready reference and the other put in a safe place together with the Insurance Policies.

Twelve years ago, I originated the System of Inventorying the contents of Private Residences, which has since become so popular and well-known throughout the country, and which I have since perfected to a high degree.

It affords the owner ABSOLUTE PROTECTION as nearly Three Thousand Patrons in the principal Cities and Summer Colonies of the United States will testify.

Estimates furnished free of charge and satisfactory work guaranteed.
Send for my Illustrated Booklet which contains the names of many of your friends and neighbors

STREET DIRECTORY

—AND GUIDE TO—

SUMMER RESIDENCES

COPYRIGHT, SAMPSON & MURDOCK CO. 1911

(See also List of Summer Residents)

GIVING the location of the Streets, Places, Parks, Squares, etc., and showing what other streets and places run from them, or across them, with the number at which they intersect

From this list, the location of any number on a street, or the location of any public building, can be easily ascertained; as, for instance, wishing to know at what part of Broadway No. 220 is located, you look at Broadway, and find that Gould Street runs from 202, and Park Street from 226, showing that 220 would come on the left, between Gould and Park Streets

When a street crosses another, numbers (or ciphers) are given on both sides; but when it begins or ends at that street, the number is given only on the side at which it intersects. Ciphers are used where no numbers exist.

* Indicates streets accepted. ** Indicates part of street accepted

Hear Ye! Hear Ye! Hear Ye!
We really do believe that a card in the directory is one of the cheapest and best forms of general publicity to be had. Our publications cover New England and New York States and are exchanged with others all over the U. S. Let us talk it over.

He Who Waiteth

FOR BUSINESS TO COME WITHOUT PUBLICITY

WAITS IN VAIN

The Knowledge of "WHERE TO BUY"
is as important as
Where to SELL GOODS

If you depend on Salesmen looking you up to sell you goods, you can also depend on helping to pay their salary or commissions.

SHREWD BUYERS

Use the Classified Business Directory for the addresses of those in their line, and patronize those giving the best values.

MANUFACTURERS AND DEALERS

who desire an opportunity to figure on the job, **Have their Names Listed** under these headings and give a more descriptive account of their line in the space at the back of the Directory.

A Directory Ad can always be found when needed, is inexpensive, is used the entire year and is a CONSERVATIVE INVESTMENT
